MARIGOLD DAYS (PHOTOS - Page 18)

Marion residents gathered in numbers on Thursday, August 16th, to rededicate the Civil War Monument on the VFW lawn as the celebration of "Marigold Days" was renewed. Some 80 or more years ago the celebration of Marigold Days was a summer event described in newspaper articles found in the stone base in a time capsule box months ago. The monument was damaged by vandals and when re-

pairs were contemplated it was noticed that it was not square. The stone base was in 3 sections when dismantled and the box was found in the base. The original dedication was in 1864.

The celebration was joined by area Selectmen from Rochester and Mattapoisett who rode in parade in a horse drawn buggy driven by Selectman David Hughes of Rochester. Mattapoisett Selectmen rode the "rumble seat" on the tailgate as noted in our photos. Starting the program, the Benjamin Cushing VFW Post 2425 raised a 1894 American flag. Marion Selectmen spoke referring to the time capsule and the early trials and sacrifices of Marion residents. Patriotic hymns were sung by the Sippican Choral Society under the direction of Bette Roberts. Eagle Scout Chip Collison had the privilege of unveiling the statue. After the monument was rededicated by the officers of the Benjamin D. Cushing Post 2425 the roll was read of the names inscribed on the sides of the monument and descendants were invited to speak of these various heroes of the past.

A time capsule prepared by the Marion Board of Selectmen of 1984 Joseph Zora, Betsy Parks and Edwin Pratt, Jr. was installed to mark this occasion and to inform those of the future who will discover it.

The program was prepared and carried out by Commander Rodney Hunt, Roger Briggs, Michael Reed and Robert Zora, members of the Rededication Committee.

The Band Concert followed playing selections appropriate to the occasion. Selectmen and others appeared in costume and straw hats were much in evidence as people rose to the spirit of the event. It was agreed that it was a highly successful and enjoyable summer interlude.

Special Town Meeting

AUGUST 11, 1984

by VIRGINIA ARRAL

VOTERS APPROVED HELP TO THOSE LIVING IN ALL SECTIONS OF THE TOWN

On the North - Four roads accepted and water standpipe painted.

On the South - Town wharves will be repaired.

On the East - Holly Woods Road partially paved.

In the Center - Town Hall ramp and computers.

Around the Town - Sandspreader for the roads/ fire hose for safety.

Proceeds from the sale of the Grange Hall and an increase in estimated receipts were the source of funds to cover the $82,800 voted at the Special Town Meeting on August 11th. $44,472.49 was appropriated, $38,327.51 was transferred from two accounts.

A large group of the 92 voters presente were anxious to vote on Article 8 which sought funds to resurface Holly Woods Road. The sum of $10,000 was appropriated after Richard Velte of 9 Euclid Avenue spoke on behalf of the petitioners. He thanked the Finance Committee for supporting the article. Velte noted that there are 90 homes in the Holly Woods area, an assessed valuation of over $8 million and that the homeowners there pay over $200,000 in taxes per year. Moderator R. William Blasdale asked that all the Holly Woods voters stay for the whole meeting, "so we won't lose our quorum".

Richard E. Chase, a member of the Town Planning Board, asked why the $10,000 couldn't come from the $138,000 in the General Highway Department budget. Selectmen Chairman John DeCosta responded saying the board couldn't speak for Manuel R. Nunes, Highway Surveyor, but that Nunes probably feels he needs the funds for other jobs. Peter Perkins, another Planning Board member, questioned how far will $10,000 go. DeCosta said, "We will go as far

The sum of $7,300 was transferred to purchase a micro-computer, printer and software to be used in the Town Accountant's office. Selectman James F. Huntoon said the new computer will be compatible with the present one in the Town Clerk's office. Huntoon said, "We had a choice - more labor or a computer system. This will not require additional personnel as our in-house people can operate the computer."

Additionally, $5,000 was transferred to purchase a Municipal Software Package to be used by the Town Accountant. In response to a question from Hoyt Hottel, who is in the computer business, as to why the software was so expensive, Huntoon explained the program package is in use in schools in Massachusetts and has been adapted for use in municipalities. He added that the state requires certain packages for towns. Hottel countered saying, "You're overpaying, but I guess you have no choice."

The sum of $2,100 was appropriated to be added to the annual town meeting Town Hall budget to cover the cost of purchasing the Town Hall 12-unit telephone system. DeCosta

explained the one time charge will reduce future budgets where only the $361. maintenance cost will have to be paid.

Richard Chase cast a dissenting vote claiming he didn't feel the request was an emergency one and should not have been placed on a Special Town Meeting Warrant.

The sum of $1,000 was appropriated for materials to build a ramp for the handicapped at the Town Hall. Chairman DeCosta explained the ramp is required in order to qualify for Federal Revenue Sharing Funds. Students at Old Colony Voke will do the carpentry work.

The sum of $20,000 was voted to be appropriated to repair the town wharves and uplands. Selectman Frank Suzan explained the western wharf was capped and the other wharves need repairing. He noted the wharves are an asset to the town and money should be appropriated each year as part of an on-going program.

The sum of $12,500 was transferred to cover engineering design costs and grant application fees for sewer main extensions. $10,000 design; $2,500 grant fee). William Nicholson, Water/Sewer Superintendent, said the extension will be made within a radius of Tobey Lane, Dexter Lane, Main Street and Route 6.

"Nick" said the town is on a priority list, and "we will be looking for a 50 percent grant, providing the town can close out the present sewer construction account. There is about $60,000 - $80,000 left over as the town's share that we can use", Nick added.

Michael O'Brien, chairman of the Finance Committee, said originally the committee did not favor the expense, but were convinced this was the right way to go. They feel a study is feasible for a number of years and are not eligible for funds without the study being made first. This is a cost effective plan. Nick added that even if the grant money isn't available next year, the study will be good for several years.

The sum of $6,500 was transferred to clean, repair and paint the exterior surface of the water stand pipe off North Street.

The sum of $5,000 was appropriated to pur-

chase 800 feet of four foot fire hose and adaptors to be used by the Fire Department.

A non-money article included the acceptance of four roads off North Street. Speaking on behalf of the petitioners of Bayberry Lane, Ash Terrace, Acorn Lane and Hemlock Lane, Larry Cairns of 7 Acorn Lane said the roads are all paved and have all utilities installed.

A unanimous vote approved the purchase of a sand spreader for the highway department. Selectman Suzan related Highway Surveyor Nunes previously expressed concerns on whether the present 26-year old spreader will make it through the winter. Suzan added that the Selectmen feel Nunes definitely needs the spreader to keep our roads in good condition.

The cost of the $8,000 spreader will be paid from $4,172.26 in transfers from the Grange Hall sale proceeds; $2,455.25 transfer from the road machinery fund; $1,372.49, appropriated.

The final sum of $5,000 was voted to be put in the Stabilization Fund. Finance Committee Chairman O'Brien said, "We received additional funds from increased estimated receipts (such as interest and excise taxes) and we could have put it into free cash, but we felt it was better to use it for what we needed and still stay within Proposition 2½."

INVESTIGATION BY POLICE DEPARTMENT - BREAKS AND MALICIOUS INJURY & DAMAGE TO PROPERTY

Mattapoisett Police Chief James Moran has announced the conclusion of investigations of a long series of breaks, malicious injury and damage to cars and boats. The investigation started on Monday, July 23, 1984 when the Mattapoisett police began to receive calls from the Ned's Point Road, Ship Street and Shipyard Lane area from people reporting that their cars had been broken into, items

were missing and boats and cars were damaged.

As the investigation proceeded, the police obtained information that indicated that 3 youths living in the area might have been responsible for the breaks and damage. Police called them into the station together with their parents to question the youths whose ages range from 13 to 15 years of age.

After the police talked to the youths, statements were taken from them that they were involved in breaking into cars, stealing from them as well as the malicious damage to boats and other property. Items taken from cars range from cigarettes, sunglasses, to a car stereo, an adding machine and many other items including garden tools.

As investigators continued to talk to five youths, they determined that some were involved with breaks into cars and boats at Mattapoisett Boatyard on the July 4th weekend. At that time, cars were broken into and items such as an electric sander, fishing poles, gas caps and an electric door opener were thrown into the water. Also, sailboats were broken into and compasses were taken along with other marine equipment such as a marine radio antenna. Lines to a sailboat were cut, pulleys were taken and a car had paint spilled on the hood. On other dates some of the youths were responsible for stealing cassette tapes, other radio equipment, speakers, more sunglasses and other items from cars that were parked on the streets and driveways.

Also, a Marion youth and youths from Mat-

tapoisett were responsible for breaking into a sailboat and other boats at Barden's Boatyard in Marion. These youths will be charged by the Marion police.

Two of the youths also admitted their involvement in a suspicious fire of a guest house on Shipyard Lane which occurred on June 26, 1984. The youths got into the house, set things on fire, then left after they thought the fire was out. The fire smoldered inside for some time and then the structure became totally engulfed and burned to the ground. In this same locale, one of the youths admitted his involvement in a break into a boat last April. The boat was parked on Shipyard Lane and marine equipment was taken.

Chief Moran said that seven youths, including two summer residents, have been charged with over 103 different charges among them including breaking and entering into autos and boats, larceny and malicious injury to personal property, and have appeared in 4th District Court, Juvenile Session, in Wareham.

SEMASS 27-YEAR CONTRACT SIGNED FOR WASTE-TO-ENERGY PLANT

Two years of negotiating was concluded last Tuesday when the Board of Selectmen and the Board of Health signed a 27-year contract with Energy Answers, Inc. to dispose of the town's trash at the proposed SEMASS waste-to-energy plant to be built in Rochester.

"This is a historic event that hopefully future residents of Mattapoisett will look back on and thank these boards for signing this contract today," said Selectmen Chairman John N. DeCosta. He added, "This will ensure the quality of water in the river valley and will benefit Rochester, Fairhaven and Mattapoisett."

As he signed the contract, George M. Mallan, president of Energy Answers, Inc., said, "This is a momentous occasion." He related that Mattapoisett is the ninth town to sign an agreement; the others include Canton, Carver, Hanson, Marion, Middleboro, Rochester, Plymouth, and Wareham. Kingston and Norwell are awaiting town authorization.

Negotiations are continuing with Cohasset, Quincy, and Weymouth, Mallan said. And, he added, he is continuing negotiations with towns on Cape Cod. The Cape generates from 340 to 430 tons per day of solid waste. After a year of study, the Five-Town Solid Waste Committee (Barnstable, Dennis, Mashpee, Sandwich and Yarmouth) unanimously recommended on August 2, 1984 that all 15 Cape towns should contract with SEMASS.

Because Mattapoisett was one of the earliest towns to sign with SEMASS, it will pay a fixed rate of $12. per ton of waste processed at the plant for 27 years. The town will also receive a rebate for energy the

Mallan said to date SEMASS has 924 tons per day under long-term contract and has 300 tons to go to reach the 1,200 tons needed daily to operate the plant.

Construction is expected to begin "at the end of this year or the first of next year with operations expected to begin in 1987," said Mallan.

Present at the signing was George T. Tobey, area director for Energy Answers. Tobey is head of project development and has been in contact with town officials since the beginning stage of the proposal.

Mallan and Board of Health Chairman Daniel C. Lee, Jr. thanked former board member Sonja Stone Peterson for her dedication in working on the contract figures. Other health board members who signed the contract were John Bowman and Evelyn Ellis. (Evelyn

recently replaced Sonja.) Vera Gibbons notarized the contract signatures.

In other business Selectmen:

ANNOUNCED the new van for the Council on Aging has been delivered and is being garaged in the Highway Department barn.

The final contract between the town and Coastline Elderly Services has to be signed before the van can be put on the road, DeCosta said.

Voters approved the sum of $8,000 as the town's share of the van; however, only $7,635 was actually used, Harold Roeder, a Council on Aging board member, said after the meeting. The state grant, which covered the balance between the town's share and the $38,585. total cost of the van, was handled through Coastline Elderly Services, Inc. of New Bedford.

DeCosta said the van is larger than the old one and will hold 19 people. It is equipped with a wheel chair lift, fire extinguisher and air conditioning. The two-way radio, which is connected to the police station, will be taken from the old van and placed in the new one, Roeder noted later.

For safety's sake, the Police Department's Safety Officer Stan Ennis will check the van's safety features. Also, Police Chief James Moran will be asked to double check the driver's qualifications because of the larger size of the new van.

RECEIVED NOTICE of a Waterways License application to DEQE from John Musser. Musser wants to reconstruct two existing groins at #1 Avenue A. Written comments must be received by DEQE by the end of the month.

ANNOUNCED that the Wareham Public Schools and the Old Rochester Regional School District are being funded for a joint proposal for a School-to-Work Transition Program for 11th and 12th grade students.

This proposal is being funded by the area's Private Industry Council in conjunction with

the Office for Job Partnerships. Selectmen have been asked if there is anything the students can do in the Town Hall to work part-time.

VOTED to transfer the package store license from the Village Package Store, 4 County Road (Route 6), presently owned by Marilyn Sargelis, to David R. Peck of Taunton. Peck will be owner and sole director. Peck's attorney, James Fagan, informed Selectmen the name would have to be changed legally to Village Package Store of Plymouth County, Inc. as there was a package store with a similar name.

The attorney stressed that $2,785.86 in back taxes will be paid in full. He noted this is a requirement that must be met before a mortgage from the Middleboro Trust will be granted.

Selectmen cautioned Peck to be sure to check identification cards, especially as the store is located on Route 6 and could get a lot of transient customers.

MET WITH William Dexter of 37 Marion Road who repeated his complaints of a previous meeting on the condition of the pavement of Church Street Extension.

Dexter claimed the necessary work could be done for $250. He wanted to know what the Selectmen were going to do about the problem. Selectman Frank Suzan's answer was

that if it's a major problem, Dexter should get a group of people who live on the street to prepare a petition to be put into the next annual town meeting warrant.

Chairman DeCosta gave the same suggestion, adding that it took several years to get Park Street done where he lives. He said it was done a section at a time, and you can do the same on your street he told Dexter.

ISSUED the list of items the board will place in the time capsule at Marion's re-dedication ceremony: a 1984 Annual Town Report; Commemorative Cup Plate of the Whaleship "Acushnet", Postcards showing Mattapoisett Historical Museum and Ned's Point Lighthouse; a 1976 Mattapoisett Bicentennial Booklet; a pamphlet on "Shipbuilding in Mattapoisett" by Charles S. Mendell, Jr.; and Mementoes of a Friendly Rivalry Between Your Town and Ours: The Infamous "Preppy" GABAHGE BAG (along with correspondence and clippings of our two towns).

A Treasure for the Taking

Periodically we like to think of ways of arousing your curiosity so that you will come and pay us a special visit. Thinking up these things isn't always so easy and sometimes it doesn't work at all.

Last winter we ran a promotion that was so subtle (a series of cartoons) that nobody noticed it at all. This time we're not going to be so subtle.

We are offering a **PRIZE!** that we think is quite worthwhile, and will, hopefully, bring you in to see us. The **PRIZE!** is a 25% discount on all your book purchases for a year, and all you have to do is solve a puzzle.

The puzzle is contained in Kit Williams's new book, "Book Without A Name" which we will sell to you at a 15% discount. The puzzle is to determine the precise title of the book from the clues in the story. When you have done that bring the answer to us in a sealed and dated envelope with your name on it. When the title is revealed next May we will open all the envelopes and award the prize to the person who deduced the correct title on the earliest date.

We hope that everybody will have fun with this, and as conditions warrant we will keep you posted on how things are going.

Good Luck!

and a tree -- there was a feeling of "good fellowship" and "cooperation".

The young people, under the guidance of Beth Lawton, director of the Youth Summer Program, gave the Selectmen a living Christmas tree decorated with colorful bows. Beth told Selectmen to place it wherever you feel it will fit, and all it needs is watering. Selectmen Chairman John DeCosta promised to find a suitable spot for the tree.

Each of the Selectmen and Elaine Sylvia, the Selectmen's secretary, were given a personalized felt stocking with a tree ornament tucked inside. One will be saved for Carol Adams, Executive Secretary, who was not present.

Sarah Harrison, age 12, opened the presentation with a description of the theme "Christmas In Mattapoisett" as a means of celebrating Christmas in the summer so as to share gifts with those friends we don't normally see at Christmastime.

Award winning pictures drawn by Gerard Macra, first place; Nicole Sullivan, second place; and Justin Patch, third place, were presented by each youngster. Selectmen assured them the drawings will be displayed in the Town Hall.

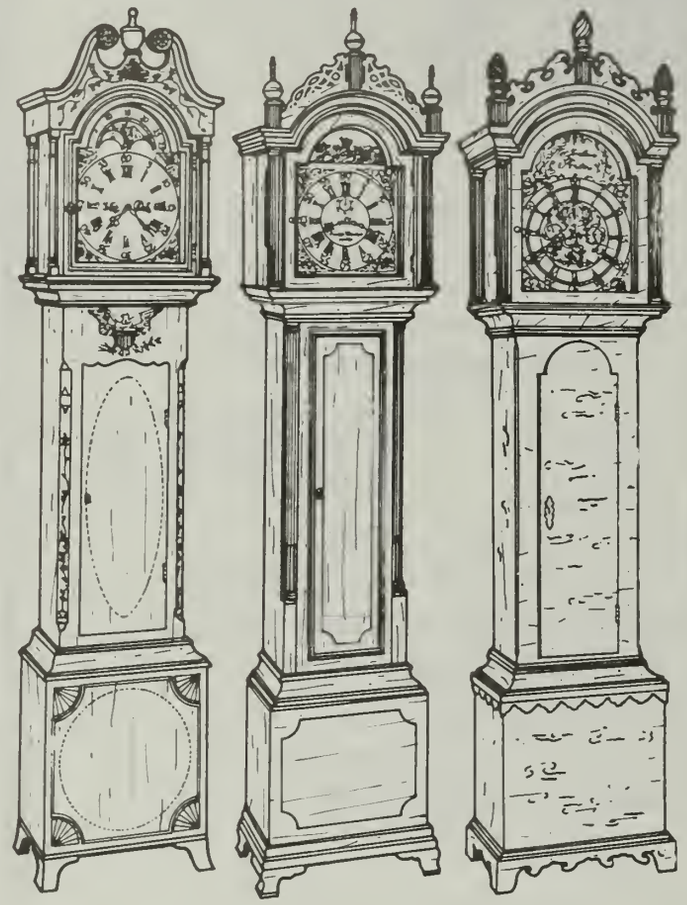
Stories were read by the winners, including Sarah Harrison, first place; Heather McCullough, second place; and Paul Nunes and Jennifer Ferreira, tied for third place.

Rebecca McCullough, Heather's mother, praised Beth on her successful program and expressed thanks from all the parents. She said, "Beth has put in 150 percent every year of her five years as director."

Beth said the kids help to make it a good program and a fun one. Selectman DeCosta said, "It takes good leadership and we thank you for your dedication."

Selectman Frank Suzan said he was one of

THE HENRY FORD COLLECTION



THE HENRY FORD COLLECTION Henry Ford's well-known interest in clocks spanned his entire lifetime. Today, many historical clocks are part of the permanent collection of the Henry Ford Museum in Dearborn, Michigan. These clocks represent the artistry and craftsmanship of the finest clockmakers in our nation's history.

Colonial has joined in this tribute to American design. In the early 1930's, Henry Ford and the founders of the Colonial Clock Company inaugurated the first reproduction program of these historical artifacts. The Museum's Reproduction Committee carefully follows every detail of design, construction and final finish, to ensure the authenticity of every clock made.

The pride put into the manufacture of these clocks, and their authenticity, is demonstrated by the use of the Henry Ford Museum logo, which is permanently applied to each clock. Their beauty and elegance will grace your home for a lifetime.

Mattapoisett Kindergarten

OPENING OF SCHOOL - SEPTEMBER 5, 1984

On the first day of school, Wednesday, September 5th, an Orientation Day will be held for the Kindergarten students of Center School, Mattapoisett. For thirty minute sessions students accompanied by their parents will visit their assigned Kindergarten classrooms. Classroom assignments will be posted on the bulletin board at the Barstow Street entrance. During this half hour session parents will meet with the classroom teacher while the children visit with classmates and explore their classroom.

Parents who have not completed their child's registration are asked to bring the certificate of birth and required health data (medical examination) with them on this day. Registration can be completed in the office prior to or after the orientation session.

Thursday, September 6th, will be the first day of instruction for Kindergarten students. Students will be bused as per Center School bus schedules published.

Kindergarten hours are: morning session, 8:30 to 11:15 a.m.; afternoon session, 12:00 noon to 2:45 p.m.

The schedule below is to be followed for Orientation Day only. Students are listed according to the session they will be attending:

District Kindergarten Information

NOTICE TO PARENTS OF CHILDREN ENTERING KINDERGARTEN IN SEPTEMBER, 1984

Chapter 76, Section 15 of the General Laws of Massachusetts states that "No child shall be admitted to school except upon presentation of a physician's certificate that the child has been successfully immunized against diphtheria, pertussis, tetanus, measles, poliomyelitis rubella and mumps..."

Children not successfully immunized on or before October 15, 1984 will be excluded from school.

In the pre-school kindergarten registrations that were conducted in the spring in the towns of Marion, Mattapoisett, and Rochester, most of the parents provided the schools with this needed information. For those parents who have not provided the required information and who desire assistance, please contact the appropriate school some time during the week of August 27, 1984. The school principal and the school nurse will assist parents so concerned.

Sippican Choral Society

CHORUS APPOINTS NEW DIRECTOR

The Sippican Choral Society announced today the appointment of Ms. Judy Dautel as director of the 65-voice chorus.

Ms. Dautel, of South Dartmouth, is the Director of Music at the First Unitarian Church in New Bedford and is the accompanist for the Greater New Bedford Choral Society. Having earned her BA from Wheaton College and a Masters in Music from Boston University, Judy Dautel is well-known throughout southeastern Massachusetts for her work with choral groups and small ensembles as well as a keyboard soloist.

Peter West, who directed the chorus from 1974 to 1984, has resigned due to other commitments.

The chorus will resume regular Monday night rehearsals on September 10th, 7:30 to 9:30 p.m. in the Fellowship Hall of the Congregational Church in Marion. New members are invited to join the chorus at any of the first three rehearsals.

The first concert of the 1984-85 season will be held on Saturday, December 1st, in Wickenden Chapel of Tabor Academy in Marion. Former directors are being invited back to

Letters to the Editor

Your account of the dog noise complaint at the Mattapoisett Selectmen's "dog hearing" brings to mind a disastrous evening at a home on North Street, near Church Street, where a reception was being held for Republican candidate Bradford for Massachusetts representative.

It being a warm evening, the windows were open and much of the program was obscured to listeners because of a dog's incessant barking in someone's yard nearby.

while I was in my yard sharply reminded me of the increasing number of near misses this summer.

I looked up and saw two cars that had started to turn north and observed a small truck-type vehicle headed west swerve around the lead car, really traveling.

Although it will be an inconvenience a green arrow is needed for cars heading north from the east bound lane of Route 6.

With the advent of agile small cars, darting and whizzing about is spreading.

So, cars rolling west on 6 figure the green light belongs to them and many people misjudge the speed of oncoming traffic when deliberately cutting across traffic or obsessed with getting to 195 or upcountry.

One other observation on the new breed of drivers - I swear many must be near-sighted - cars or no cars on the road they come up to about a car's length from the rear bumper - then whiz out to pass with military precision and then swerve in front of your car - I guess brainwashed by too many late night T.V. car ads.

Mariner Soccer

REGISTRATION FOR FALL PROGRAM

The Mariner Youth Soccer Club announces that registration for the Fall program will be held on Friday, August 24th, from 6:00 to 8:00 p.m. at Old Rochester Regional High School, and Saturday, August 25th, from 10 a.m. to 12 noon at East Fairhaven School. The registration fee is $15.00 and includes a reversible shirt. The cost of late registration will be $20.00. The purpose of the Club is to offer children of ages 6 to 13 the opportunity to learn the basic skills of soccer under supervision with the goal of promoting general fitness, sportsmanship and fair play. Children will be placed on teams based on age and geographical location. New this year will be all-girl teams. Matches will be held Saturday mornings beginning September 8th at both ORR High School and East Fairhaven School sites.

New, prospective, and returning coaches are invited to a coaching clinic to be held at ORR High School during the registration period on Friday, August 24th, from 6:30 to 8:00 p.m. Topics to be covered include: treating sports injuries, coaching philosophy, coaching drills and techniques.

For further information call Dick or Lee Bordas after 6:00 p.m. at 999-1022.

Rochester Youth Hockey

LOCAL YOUTH HOCKEY SIGN-UP ANNOUNCED

Mattapoisett Recreation

Mattapoisett Recreation held a kite-making and flying day on August 8th. The morning was spent decorating and preparing the kites, all with a different design - from rainbows and birds to scary faces and Olympic motifs.

Winners in this category were: Kristina Ponte, first; Sarah Harrison, second; Paul Nunes, third; Most Original, Ed Gomes, first.

In the afternoon, after a lunch break, the sky was full of vibrant color and lots of kites trying hard to stay up.

Prizes were awarded for those whose kites flew the longest and highest: Eric Zichowicz, first; Timothy Lockhart, second; Heather McCullough, third.

TALENT SHOW

Mattapoisett was recently feasted with an array of young talent.

A talent show was held at Center School under the direction of Beth Lawton, playground coordinator. There was a mixture of dances, mime, and a magic show.

As Mr. Suzan, one of our judges for the show, said, "Broadway acts among our midst."

The judges had a difficult decision but finally decided on the top three acts:

First - "The Cats", Angela Cook and Amy Gaspar; second - "Prima Ballerina", Nicole Regan; third - "Black Magic", Heather McCullough and Sarah Harrison.

TRIP TO MELODY TENT

To top off the activities for the summer program, the Recreation Department sponsored a day's trip to the Cape Cod Melody Tent. The children enjoyed a performance of "Jack and the Beanstalk", although a few tears were shed for the Giant, a gruesome fellow!!!

FIELD DAY

Capping the week's activities a Field Day was held at Center School August 16.

Mattapoisett children enjoyed a day full

Children's Museum

An exhibit of paintings and drawings by youngsters at Dartmouth's Friends Academy will open at the Museum on August 29th.

The show of approximately 25 works represents the efforts of students in the Academy's summer program administered by Timothy Bayer of Friends. The students are all residents of New Bedford and in grades six through nine. Museum visitors will be able to enjoy the art works done in charcoal, pencil, acrylic and Conte' crayon through September 26th.

OPEN LABOR DAY

The Dartmouth Children's Museum has announced that it will be open to the public on Labor Day, September 3rd, from 1 to 5 p.m. The Museum, which features 20 hands-on exhibits, is located in South Dartmouth at 276 Gulf Road.

Please contact the Museum for details by phoning 993-3361.

NATURE WORKSHOP

The Dartmouth Children's Museum will conduct a Nature Workshop for children ages seven and older on Saturday, August 25, at 1 p.m. The program, which is entitled "Bug Motels and Hotels", will take a close look at the life in, on and under fallen and not-so-fallen logs. The program will take place on the Museum's 50 acres of natural habitats, 276 Gulf Road in South Dartmouth. Pre-registration is required. Contact the Museum at 993-3361 for details.

CLOWN EXHIBIT

The McDonald's Restaurants of Dartmouth and Fall River have contributed $500 to the Dartmouth Children's Museum toward the new Clown Dress-up Exhibit on the recently renovated second floor.

The new Clown Dress-up Room features a trunk of circus clothing that children may try on, two fun house mirrors, two make-up tables where children can color paper clown faces, and the Museum's turn of the century wooden circus toys. The remarkable hand carved toys are displayed in a curved case at the back of the building's northeast silo. The area has proven to be very popular and is almost always buzzing with activity as would-be circus performers don their regalia.

The Museum is grateful to Dartmouth and Fall River McDonald's for their support of this exhibit.

The Museum is open Tuesday - Saturday,

Gateway Players

A PASSAGE TO INDIA OPENS IN WAREHAM

Before the David Lean screen epic is released, Wareham's Gateway Playhouse will present A PASSAGE TO INDIA by novelist E.M. Forster adapted by Santha Rama Rau for the stage. This exotic and colorful tale of rape and racism features an all star cast headed by New York actress Ann Kenny and screen star Santiago Gonzalez along with Joyce Wirth, Raymond David Cardoza, Dennis O'Neill, Larry Bennett, Dorothy Taylor, Sandy Jackson, Susan Shaw, Charles and Irene Frost, Lenny Spinner, Nancy Lindholm, Keith Matthews, Lee Thompson, Tony Oliveira, Kenny Tavares with special guest appearance by P.C. Goyal as Mr. Hamidullah and also starring Pulitzer nominated poet George W. Hayden as Mr. Fielding. Mr. Hayden directs the multi-scene picturesque production designed by David B. Boyce. Performance dates are August 24, 25 and 31, September 1, 7, 8, 14, 15 and 8 p.m. Tickets are available at the box office or for reservations call 295-6768. A Passage to India has all the elements of exciting courtroom melodrama and far eastern romance. Put it on your must see list for unique theater productions in Massachusetts.

THE NIGHT OF THE IGUANA CASTING

Phone 295-6768 for immediate casting in Tennessee Williams' unforgettable last major work, The Night of the Iguana. Five male and four female roles are open. Training is given by professional directors.

the film documents the recovery of Osprey populations in the coastal northeast. Alan Poole, who has studied these birds in the region for some years, served as scientific consultant for the film. According to Poole, "The movie is really the story of people and Ospreys interacting in our coastal region during the past 3 decades." The natural history of Ospreys is well covered, including information on nesting and fishing, as is the story of their problems with pesticides and what people were able to do about these problems.

For additional information call the Lloyd Center at 990-0505. There is a nominal fee.

BIRD WALK

The Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth, will hold its regular First-Sunday-of-the-Month Bird Walk on Sunday, September 2nd, starting at 9:00 a.m. Participants should meet at the Lloyd Center, and bring binoculars and field guides. The Center has a limited number of these items available for loan for this outing. Please call 990-0505 for additional information.

will present an all new program that is both colorful and of interest to all audiences. It is called their "Classical-Pops" concert.

A suite from "West Side Story" will complement the work of Cole Porter. A Strauss Waltz will coincide with the songs of Stephen Foster. There is something for everyone when the popular Empire Brass performs under the stars on the outside concert stage.

An earlier performance scheduled for the end of July was cancelled because of rain. The Quintet will perform on this new date either indoors or outdoors depending on the weather.

The concert is funded in part by the Prudential Foundation through the New England Foundation for the Arts and the National Foundation for the Arts.

The Scottish Pipe Bands have become a tradition at Heritage Plantation, from the minute that they assemble at the main gate and march through the grounds, visitors and members alike are caught by its magic.

The Clan Sutherland features 18 pipes and six drummers. They have won several competitions in this country and Canada, where in 1976 they placed third in the Internation-

al Championships in Toronto competing with many bands from Scotland and Canada.

The colorful Highland Light Scottish Pipe Band returns from last summer. Pipe Major is Bruce Cameron Williams, Drum Major is Donald S. Campbell, Pipe Sergeant is Mark Massoni, and Walter D. McKenna is Drum Sergeant.

The 74th Regiment of Foot was one of the regiments raised in order to help bring the American Rebellion to a speedy end. Recreated in 1979 by individuals from several Massachusetts communities, who were interested in the part Scotland played in the American Revolution, the members continue today working towards protraying the Scottish soldier of the 74th Regiment on campaign circa 1779, including his uniform drill and daily camp life.

Membership, as well as admission tickets to the museum for the day, will be honored for these events and will include admission to all the museum buildings, exhibitions and grounds. Tickets are $5. for adults, $2. for children under 12 and free for children age 5 and under and for members.

The Museum encourages families to enjoy a picnic before the performance in the picnic area outside the main gate. Picnicking is not allowed on the museum grounds, or in the concert area.

Unclaimed Money

STATE TREASURER CRANE RETURNS
UNCLAIMED INSURANCE PROCEEDS

State Treasurer Robert Q. Crane announced today that his office is attempting to return $800,000 to 5,100 Massachusetts residents under the state's Unclaimed Money Law.

Treasurer Crane noted that this money has been reported to the Treasury by insurance companies doing business within the Commonwealth of Massachusetts. Included in the proceeds are unpaid life insurance benefits, unpaid benefits on health and liability insurance policies, pension checks and customer overpayments.

Under Massachusetts Unclaimed Money Law (M.G.L. ch. 200A), accounts which have been unclaimed for at least five years are declared abandoned and must be reported to the Treasury. The Treasury Department then tries to locate the rightful owners or legal heirs.

"A majority of these accounts represent the cash value of life insurance policies," Crane said. "My office is making every effort to locate the owners or legal heirs to return these funds to those who are due them."

Individual entitlements from these unclaimed accounts range from $25. to a single account worth more than $16,000. More than 1000 accounts range between $100-$500.; 175 accounts between $500-$1000; 88 accounts between $1000-$5000 and 8 accounts between $5000-$16,000. The remaining accounts are less than $100.

Persons who believe they may have a valid claim should call the Treasurer's Office at (617) 523-1042 or toll free 1-800-632-8027.

Centennial Flag Day

A Centennial Flag Day program will be held at St. Luke's Hospital on Thursday, August 23rd, at 2:00 p.m.

In honor of St. Luke's 100th Anniversary, the American Legion Post 1 and Mr. Joseph Theodore, founder of lighting the flag for peace, will present St. Luke's with an American flag that flew over the nation's Capitol.

The event also serves to recognize St. Luke's as the first hospital in the country to illuminate the American flag from dusk to dawn with a light for peace. New Bedford was the first city in the country to fly the American flag 24 hours a day, illuminated from dusk to dawn with a light for peace, a practice begun by Joseph Theodore during the Viet Nam War.

The Centennial Flag Day program will be held at St. Luke's Main Entrance Circle, Page Street, Refreshments will follow the program. The public is invited to attend.
